					SPANISH B1/ ENGLISH B1 Teaching language at the UCLM is Spanish, if you are not fluent in Spanish, please contact academic coordinator for more information regarding this matter. In light of recent issues, we'd also like to point out that we do not require language certificates from our future incomings, but we do expect them to be able to follow lectures and administrative procedures. In their interest, please make sure they have a B1 level of Spanish or at least they are fluent in English in order to help you get started in Cuenca.
