

Designers in Residence

The town of Pforzheim invites young international designers to Pforzheim for three months as part of its scholarship program »Designers in Residence«.

Conditions,

The scholarship program is directed towards young international designers in the areas of jewellery, fashion, accessory and industrial design. Applicants must have completed studies at an university of applied sciences or university, must not be older than 35 years old and/or must have completed their studies not longer than two years ago. Language skills in German or English are required.

Scholarship benefits,

In total there will be three scholarships: Of all applications, the three best will be considered. The scholarship includes use of fully equipped workshop workplaces in the EMMA Creative Center in Pforzheim and free accommodation for the period of three months. As required, it will also be possible to use the workshop facilities of the Pforzheim University of Applied Sciences. In addition, each scholarship holder will receive a monthly support of 1,000 euros together with travel costs for the journey from and back to home. A special allowance will be made available for material costs. The results of the work scholarship will be presented in an exhibition at the EMMA Creative Center in Pforzheim and in co-operation with the Baden-Württemberg Design Center in Stuttgart.

Those accepting the scholarship are required to be in residence. The scholarship holder may only be absent for a maximum of 10 days.

The period of residence in Pforzheim is from **April 1 to June 30, 2018**.

Application,

The application can be made by post mail or email.

Please send applications by post to: EMMA – Kreativzentrum Pforzheim, »Designers in Residence«, Emma-Jaeger-Strasse 20, 75175 Pforzheim, Germany

Applicants may make a maximum of three application attempts.

After a scholarship has been granted a further application is not permitted.

There are no registration fees.

The deadline for applications is **Friday, November 10, 2017**.

For applications by post mail, the date of receipt is authoritative.

Confirmation of a scholarship will be made **mid-December 2017**.

We recommend that scholarship holders take out insurance at their own cost for dispatch. During their stay at the EMMA Creative Center the work which is submitted will be insured against loss and damage.

Documents,

Applicants have to submit the following documents:

- Description of the project idea/item to be designed in the scholarship period (in writing and/or with sketches)
- Curriculum vitae including details of previous grants, awards, prizes
- proof of final degree
- Work samples: products/models for viewing, photographs or other pictures of the design work (folder, catalogue)
- signed application form

The application can be made in German or English. After the selection process has been concluded the documents of the applicants not considered will be returned to the applicants. On request products/models will be returned at the applicant's expense.

Jury,

Mirjam Hiller, mirjam hiller jewelry, Hechingen

Alexa Pollmann, Peut-Porter, London

Tim Storti, PEARL CREATIVE, Ludwigsburg

The decision to award the scholarship will be made by the whole jury. There is no legal right to a scholarship. The applicants will be advised in writing of the respective decision, whereby the grounds for the decision will not be explained.
