

Dear Sir or Madam,

Your kind help in circulating the following calls for applications for artists' residencies among your contacts would be much appreciated.

The European Investment Bank (EIB) Institute is looking for emerging European artists and collectives to join the 2019 edition of its Artists Development Programme (ADP), a 6 weeks long residency programme in Luxembourg, under the mentorship of acclaimed Finnish photographer Jorma Puranen.

The EIB launched two calls for applications targeting visual artists (aged less than 35) with nationality of one of the 28 EU Member States with a thematic focus on:

- "Urban Rejuvenation"
- "Disruption: - The Imprint of Man"

The deadline for applying is Wednesday 23 January 2019 at midnight (GMT+1). For more information about the programme and on how to apply please visit our website [here](#).

Thank you in advance for your cooperation. Do not hesitate to contact us in case you have any questions.

Sincerely,

EIB Institute Arts team
