ΑΝΑΚΟΙΝΩΣΗ

Dear designers and friends of DMY,

just 9 days to go to apply for the jubilee edition of DMY International Design Festival!

And we have exciting news to share: We are very honored to

host the official Design Award of the Federal Republic of Germany in 2012. For the first time, all nominees will be exhibited at Airport Berlin Tempelhof during the DMY International Design Festival from June 6 to 10. The Prize is considered as Germany's most prestigious design award. It is awarded by the Ministry of Economics and Technology since 1969 honoring excellence in product and communication design.

Moreover we are looking forward to numerous presentations from different countries and regions such as Hongkong, Buenos Aires, China und Japan at this year's festival. Anew over 700 designers, firms and institutions will showcase new products, material innovations and pioneering processes within the fields of design. For the third time, the monumental hangars of historic city Airport Berlin Tempelhof will provide an impressive backdrop for the festival. Next to the exhibitions, numerous events such as designer talks, workshops and symposia invite to reflect and discuss current design trends and future developments in an interdisciplinary setting.

Designers, firms, studios and universities can apply as exhibitors until February 17 to exhibit within the central exhibitions at Airport Berlin Tempelhof. Furthermore galleries, museums, project spaces and institutions from Berlin are welcome to participate as satellites presenting their own exhibitions at decentral places throughout the city.
